Open Space Committee

Minutes of Meeting Weds, February 3, 2010

Members Present: Ann LeRoy, David White, Joey Glushko, Lisa Decker, Elizabeth Karpati

Minutes of January 6, 2010 reviewed, but not voted.

Mill Brook

We settled on a meeting date with representatives of the National Park Service -- Thursday, February 10, at 2 pm. Joey will contact them to confirm. The purpose of the meeting is to review our application for technical assistance, which was denied, so NPS can provide some informal guidance on our ideas and future plans.

The next meeting of the Mill Brook committee is scheduled for Thursday, February 11, at 7:30 pm.

Cooke's Hollow Landscape Design Plans

A public hearing for abutters will be held on Thursday, February 11, at 6:00 pm.

Open Space Plan Extension

Most of the meeting was devoted to reviewing changes and updates to be submitted to the state EOEEA Division of Conservation Services to extend our Open Space Plan from 2012 to 2014, as we were invited to do by the state. We discussed and made further changes to the chart of goals and objectives in chapter 9 of the 2007-2012 Plan. Ann will incorporate the changes and send the documents around to all members for final review. Joey will send the draft changes to Melissa Cryan at DCS to be sure we are on track with what they expect before we submit the final updated documents, which are due by February 28.
